‘Crimson King’ Norway Maple

(*Acer platanoides* ‘Crimson King’)
40’ tall x 40’ spread

Rich deep maroon leaves keep their color all Summer. Nice slower, dense grower. Very hardy

‘Red Sunset’ Red Maple

(*Acer rubrum* ‘Red Sunset’)
50’ tall x 35’ spread

Upright branching tree that forms an oval. Dark green glossy summer foliage. Brilliant orange-red to red in Fall.

‘Karpick’ Red Maple

(*Acer rubrum* ‘Karpick’)
40’ tall x 20’ spread

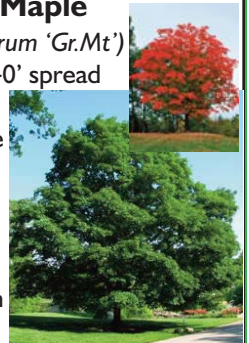

A narrow, oval grower with green summer foliage that turns brilliant yellow to orange in Fall.

‘Green Mountain’ Sugar Maple

(*Acer saccharum* ‘Gr.Mt.’)
55’ tall x 40’ spread

A vigorous, uniform tree with an oval crown of large, waxy dark green foliage - even in a dry, windy summer. Beautiful shades of reddish-orange to red in Fall.

‘Fort McNair’ Horsechestnut

(*Aesculus x carnea* ‘Fort McNair’)
50’ tall x 30’ spread

Rounded, dense crown on a stately robust tree. Upright, dark pink flower clusters bloom in late Spring. Dark green foliage is fungus resistant.

White Bark Himalayan Birch

(*Betula jacquemontii*)
40’ tall x 20’ spread

The whitest of all Birch. Pyramidal oval habit, dark green leathery leaves. Some resistance to Miners & Borers.

‘Heritage’ River Birch

(*Betula nigra* ‘Heritage’)
50’ tall x 40’ spread

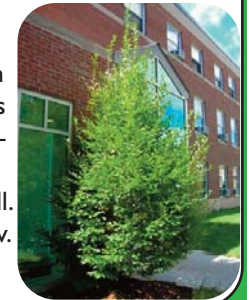

Outstanding native Birch with reddish-brown to cinnamon exfoliating bark. Tolerates wet

Pyramidal European Hornbeam

(*Carpinus betulus* ‘Fastigiata’)
30’ tall x 15’ spread

A compact, dense & narrow tree. Formal & functional. Deep green foliage turns an outstanding yellow-orange in Fall. Easy to grow.

Katsura Tree

(*Cercidiphyllum japonicum*)
40’ tall x 30’ spread

Excellent symmetrical, low-branched tree. Blue-green summer foliage turns apricot in Fall. Virtually disease & insect free.

American Beech

(*Fagus grandiflora*)
70’ tall x 40’ spread

A wonderful native, wide spreading form. Best for large areas. Stately & majestic.

‘Autumn Purple’ Ash

(*Fraxinus americana* ‘Autumn Purple’)
45’ tall x 40’ spread

A round-headed, seedless Ash with outstanding orange-red-purple fall foliage color. Hardy & fast growing.

‘Patmore’ GreenAsh

(*Fraxinus pennsylvanica* ‘Patmore’)
50’ tall x 30’ spread

An extremely hardy variety of green Ash with splendid green summer foliage. Withstands adverse conditions very well.

SHADE & LAWN TREES:

'Skyline' Honeylocust
(*Gleditsia triacanthos* in. 'Skyline')
50' tall x 40' spread

A strong, tight-branched, pyramidal variety with dark green delicate leaves. Yellow in Fall. Seedless.

Blackgum
(*Nyssa sylvatica*)
40' tall x 30' spread

Upright form with dark, glossy leaves that turn brilliant scarlet in Autumn. Native to wet areas in New England.

'Bloodgood' Planetree
(*Platanus x acerifolia* 'Bloodgood')
60' tall x 40' spread

Upright, fast-growing tree with wide-spreading branches & large green leaves. Exfoliating bark exposes dappled brown-cream bark. Yellowish fall foliage.

Red Oak
(*Quercus rubra*)
70' tall x 45' spread

A rounded, pyramidal, fast-growing native. Dark green summer foliage turns a remarkable rich red in Fall.

Gold Weeping Willow
(*Salix alba* 'Tristis')
60' tall x 40' spread

A large graceful tree having golden weeping branches. Loves moist soils.

'Corinthin' Linden
(*Tilia cordata* 'Corinthin')
45' tall x 15' spread

Narrowly pyramidal, uniform branching creates a formal shape. Dark green summer foliage turns yellow in Fall.

'Homestead' Elm
(*Ulmus carpinifolia* 'Homestead')
70' tall x 35' spread

Upright, arching, narrow oval with dark green foliage. Rapid grower. Yellow in fall. Disease resistant.

'Village Green' Zelkova
(*Zelkova serrata* 'Village Green')
40' tall x 30' spread

Beautiful vase-shaped tree with deep green foliage & upright arching branches. Fast grower.

CONIFEROUS EVERGREEN TREES:

Blue Atlas Cedar
(*Cedrus atlantica* 'Glauca')
60' tall x 30' spread

A rapid growing evergreen with bright blue foliage. The most beautiful & stately of all the blue needled conifers. Memorable. Give it some protection from wind.

'Yoshino' Cryptomeria
(*Cryptomeria japonica* 'Yoshino')
30' tall x 15' spread

A conical evergreen that maintains its blue-green foliage through the heat of summer turning bronzy in winter. Maintains its shape well.

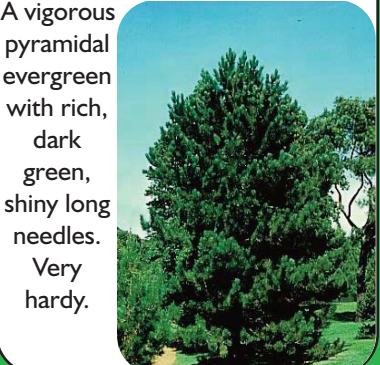

Vanderwolf's Pine
(*Pinus flexilis* 'Vanderwolf Pyramid')
40' tall x 20' sp

A special evergreen with superb whorls of soft, long, fragrant needles. Forms a tight, upright pyramid, with a moderate growth of 8" per year.

Austrian Pine
(*Pinus nigra*)
60' tall x 30' spread

A vigorous pyramidal evergreen with rich, dark green, shiny long needles. Very hardy.

Eastern White Pine
(*Pinus strobus*)
60' tall x 30' spread

A native, large, fast-growing pine with long, delicate, soft blue-green graceful foliage. Pictur-esque.

Fastigiata White Pine
(*Pinus strobus* 'Fastigiata')
30' tall x 10' spread

Narrow, upright conifer with long blue-green needles with a soft appearance. Excellent screening for tight areas.

Canadian Hemlock
(*Tsuga canadensis*)
50' tall x 30' spread

Pyramidal native conifer with dark green feathery foliage. Relatively fast growing making it excellent for screening. Takes shearing very well.

For Pick-Up:
