

# BROADLEAF EVERGREEN SHRUBS:

## Millane Nurseries, Inc.

604 Main St, Cromwell, CT 860-635-5500 www.millane.com

- **Our growing beds are bursting** with beautiful shrubs and evergreens in all shapes & sizes.
- We professionally grow them locally in Cromwell.
- Our 90 years of growing knowledge & expertise produces the best plants in Connecticut!
- This is just a sampling of the many shrubs we grow. Numerous varieties available of each.
- Many at **“wholesale/contractor” prices** and are available in our Garden Center for pick-up or delivery. (We offer a list of local landscapers for installation & planting).

### ‘Girard Rose’ Azalea

(Azalea ‘Girards Rose’)  
2-4’ tall x 3-5’ wide

Dense semi-evergreen shrub with profuse deep rose-red flowers in May. Flowers entirely cover the plant making it extremely showy. Fall foliage has a tint of red.

### ‘Green Mt.’ Boxwood

(Buxus sempervirens ‘Green Mt.’)  
6-7’ tall x 4-5’ wide

Forms a perfect wide pyramid-oval covered with small dark green leaves. Great green color year round. Excellent hedge or corner accent.

### Dwarf English Boxwood

(Buxus sempervirens ‘Suffruticosa’)  
2-3’ tall x 2-3’ wide

Dense, compact, round, very slow growing evergreen. Tiny rich green leaves on a dense mound.

### ‘Emerald Gaiety’ Euonymus

(Euonymus fortunei ‘Emerald Gaiety’)  
3-4’ tall x 3-4’ wide

A vigorous, compact spreading shrub with rich green leaves that have a white margin. In winter the margins become pink tinged. Easy to grow.

### ‘Blue Princess’ Holly

(Ilex meserveae ‘Blue Princess’)  
8’ tall x 8’ wide

A lovely wide upright shrub with glossy bluish-green foliage & large red berries.

Great for foundation or trimmed hedge.

### ‘Soft Touch’ Holly

(Ilex japonica ‘Soft Touch’)  
3-4’ tall x 4’ wide

Compact, low-spreading evergreen with lustrous dark green leaves. Forms a dense mound ideal for foundation or rock garden.

### ‘Steeds’ Holly

(Ilex japonica ‘Steeds’)  
6-8’ tall x 4-5’ wide

A strong upright grower with

lustrous dark green leaves. Excellent accent for the foundation or easy-care hedge.

### ‘Shamrock’ Inkberry

(Ilex glabra ‘Shamrock’)  
3-4’ tall x 4’ wide

A handsome, compact evergreen with rich dark green leaves. Slow growing & very hardy. Forms an upright rounded mound. Perfect low hedge or for foundation.

### ‘Carol’ Mt. Laurel

(Kalmia latifolia ‘Carol’)  
6-7’ tall x 7’ wide

Bright red buds open to big trusses of light pink flowers in May-June. Thick foliage on a dense shrub.

### ‘Brouwer’s Beauty’ Andromeda

(Pieris x ‘Brouwer’s Beauty’)  
4-5’ tall x 4’ wide

Attractive early April white flowers welcome Spring. A dense, compact bushy evergreen shrub with red buds in winter.

### ‘Nova Zembla’ Rhododendron

(Rhododendron ‘Nova Zembla’)  
7-9’ tall x 8’ wide

Great, eye-catching red flowers profusely cover this dependable evergreen. Large upright form with dark green foliage. Good background plant or for the corner of foundation.

### ‘PJM Rhododendron

(Rhododendron ‘PJM’)  
3-5’ tall x 4’ wide

A fantastic rounded shrub with vivid bright lavender-pink flowers in April. Foliage turns a pleasant plum-purple in fall & winter.

# “LOW” DECIDUOUS SHRUBS:

## ‘Crimson Pygmy’ Barberry

(*Berberis thunbergii nana*)  
1-2' tall x 2-3' wide

Low, dense deciduous shrub with rich burgundy foliage & small thorns.

## ‘Chardonnay Pearls’ Deutzia

(*Deutzia gracilis* ‘Chardonnay Pearls’)  
3-4' tall x 3-5' wide.

A ray of sunshine that brightens all summer with stunning bright yellow leaves. Fragrant white flowers.

## ‘Endless Summer’ Hydrangea

(*Hydrangea* ‘Endless Summer’)  
4-6' tall x 5' wide

Glorious, beefy blue pom-pom flowers bloom all summer. A repeat bloomer. Deep green foliage on a well rounded shrub.

## ‘Henry Garnet’ Sweetspire

(*Itea virginica* ‘Henry Garnet’)  
3-4' tall x 5-6' wide

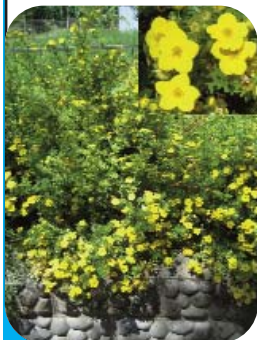

A real gem with glossy deep green summer foliage that turns red in fall. Unique, showy white June flowers.

## ‘Goldfinger’ Potentilla

(*Potentilla fruticosa* ‘Goldfinger’)  
2-3' tall x 2-3' wide

Compact, mounding shrub with beautiful golden yellow blooms all summer long! Fine textured foliage.

## ‘Little Princess’ Spirea

(*Spirea japonica* ‘Little Princess’)  
2-3' tall x 3-4' wide

Dense mound. Impressive display of pink flowers in June-July.

## ‘Miss Kim’ Lilac

(*Syringa patula* ‘Miss Kim’)  
5' tall x 5' wide

Very fragrant purple flowers in mid-May cover this broad, bushy upright shrub. Blooms later than hybrids. Very hardy.

## ‘Wine & Roses’ Weigela

(*Weigela florida* ‘Wine & Roses’)  
3' tall x 3' wide

Intoxicating dark burgundy leaves & abundant red-pink flowers in June.

# NEEDED EVERGREEN SHRUBS:

## ‘Dwarf Hinoki’ Falsecypress

(*Chamaecyparis obtusa gracilis nana*)  
4' tall x 4' wide

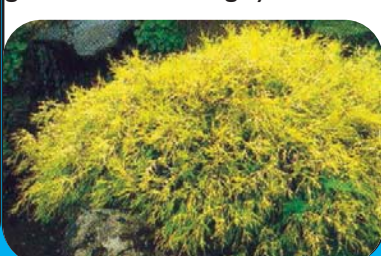

Very slow grower with attractive fan-like foliage. Rich vibrant green.

## ‘Golden Mop’ Threadbranch Falsecypress

(*Chamaecyparis pisifera fil.* ‘Golden Mop’)  
2-4' tall x 4' wide

Dwarf, dense form with brilliant gold thread-like foliage year round.

## ‘Blue Star’ Juniper

(*Juniperus squamata* ‘Blue Star’)  
2' tall x 3-4' wide

Very slow growing, low rounded habit. Remains dense throughout its life. Extremely eye-catching rich blue needles.

## Dwarf Japanese Garden Juniper

(*Juniperus procumbens nana*)  
6" tall x 6-8' wide

Rich apple green foliage on a cushion-like tight mound. Great groundcover.

## Microbiota

(*Microbiota decussata*)  
1' tall x 8' wide

Groundcovering, spreader with soft feathery touchable foliage. Branch tips nod gracefully. An award winner! Very tolerant of sun or shade. Turns a nice bronze in fall.

## Dwarf Alberta Spruce

(*Picea glauca* ‘Conica’)  
6-8' tall x 3' wide

Compact, pyramid. Very slow growing - only 2" per year. Ideal accent for foundation or rock garden.

## ‘Dwarf Mugho’ Pine

(*Pinus mugho* ‘Mughus’)  
3-4' tall x 6' wide

Durable, slow growing conifer with rich dark green needles. Good in lawn island or foundation.

## ‘Emerald Green’ Arborvitae

(*Thuja occidentalis* ‘Emerald Green’)  
10-15' tall x 3' wide

Narrow, pyramid with bright green foliage. Grows 3-4" per year. Fantastic evergreen hedge.
